

Dear Board:

I am writing to express my interest in becoming a member of the Pinnacle Lake Estates Board.

My husband and I moved to Pinnacle Lake Estates to be closer to family. I have been a Trial/Litigation Paralegal for over 20 years and I love what I do.

I have served on several boards over the last several years, including Sacred Heart's School Board, Ladies Guild Board of Sacred Heart and Committee Board for Boy Scout Troop 713.

I have also held the position of Service Hour Coordinator over Sacred Heart School, where I managed the service hours that were required to be completed each year for each family.

I believe that communication is the key to a good community. Communication builds friendships and relationships inside and outside of the community. When there is good communication, you are connecting with everyone... this builds comradery and makes for a better place all around.

I have a passion for community togetherness. Not one person should be separated out- we need everyone to make a community work.

I believe that my legal experience and experience in serving on the above boards have prepared me well. I have learned how to work with others to achieve common goals and how to manage conflict and make decisions that are best for everyone.

I am a strong leader and have the ability to motivate and inspire others. I am a hard worker and am always willing to put in the extra effort to get things done.

I am confident that my experience will allow me to contribute positively to the board.

Fun facts:

I have been married to my best friend for 15 years (ask him about how we met) and we have two boys- Zach and Blake.

My hobbies include spending time with my family and my numerous fur babies- Gizmo, Loki, Luna, Noble and Karma. I love camping and spending time outdoors and reading a good book.

Thank you for your time and consideration.
